

## **Privacy statement**

### **We take your privacy serious**

Please read the following to learn more about our position concerning your personal information and the measures we take to protect it. This privacy notice applies to information collected by this website.

We may need to change this policy from time to time in order to address new issues and reflect changes.

Globalinternet respects privacy and any personal data within our organization will be processed in accordance with our Privacy Data Policy complying with the GDPR.

### **Personal data and security**

The information you provide, that may include personal data such as names, address, phone number and email address, is used strictly for internal purposes. The choice of how much of your personal information is disclosed to Globalinternet is left up to you. Personal data is used to process your application for internet services or other requests of information and to contact you.

To protect and safeguard personal data provided to us, we have implemented and use appropriate business systems and procedures. We made sufficient technical and organizational provisions to secure personal data against inappropriate use and data leaks. The personal data you provide on this website can only be processed by authorized employees of Globalinternet who need to have access to this data to be able to fulfil their given duties.

### **Third parties**

We value your privacy and understand that you don't want your details sold to third parties. Globalinternet will not provide, sell, trade or rent in any form your information to a third party. We will only provide customer's or suppliers information to a third party when necessary for the provision of the agreed service. Globalinternet only uses external processors providing sufficient guarantees in such a manner that it will meet the requirements of the GDPR and that ensure the protection of the rights of the data subject by agreeing on a processing agreement.

## **Consent**

By submitting your privacy data on our web site, or sending us email requests with privacy data, you consent to the appropriate collection and use of this information. Should we decide to change our privacy policy in any way, we will post such changes to this page so that you are aware of the information we collect, our use of it, and the circumstances under which we would disclose it.

## **Control over your data**

Each data subject has the right to review the personal data stored with us. You can request your personal data by emailing us at: [support@globalinternet](mailto:support@globalinternet).

If your personal data is incorrect, we will change it upon your request. You can also ask Globalinternet to remove your personal data from its systems by sending us an email to the aforementioned email address.
